GS-EL42138F30-VPI
DNA Coat factor: clear
DNA DM profile: clear

DOB: 7/20/2017
Color: Black/Tan

“Solo” was a singleton...my first. I've been prepared that she will have a very independent nature. At 5 weeks this is beginning to show up. When she wants something she certainly lets you know. She already knows her name and comes. This will probably not continue. Will she be the next star ... only time will tell, so far she shows promise. More pictures will follow.

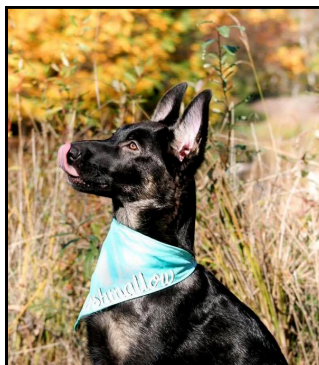

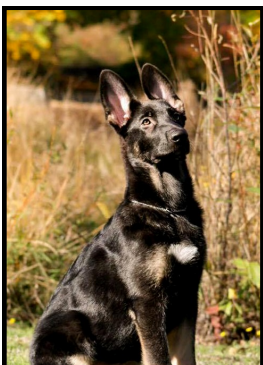

8 weeks

12 weeks

4 months

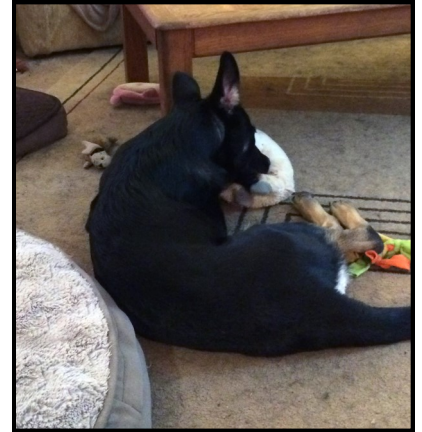

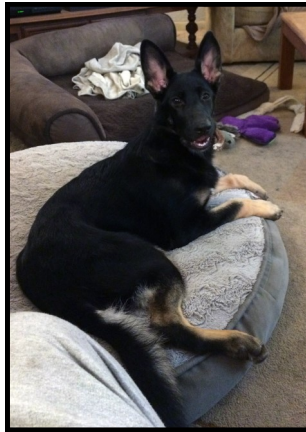

Solo first free stack at 14 weeks!

We have ears up, thanks to bully sticks!!

>>

This is what Solo thinks of sheep — if you don't move....I'll take a bite!

Playing with my Frisbee!

There is goes !

Got to get it !

Almost have it !

It's mine !

When I don't get my way!!
