"Buck" loved herding and thanks to Dave Viklund's guidance he obtained his HIC at the 2014 GSDC National Specialty

**“Buck”** was from a litter of only two males. Both of the boys were born coats, but that didn't stop me in deciding to try and show him to his American Championship because his structure was so close to perfection. He is everything I would want in a male...masculine, great bone, strong movement, and a temperament that is protective with sensibility and willingness to please. He is linebred on the beautiful Int/Can Ch Kris-T's Willow-B v Encore who lived to 13 1/2. We can only hope he will be blessed and live as long.
