GSDC of Oregon Specialty**

Shown only twice as a puppy he began his show career at two, winning at both specialties and all-breed shows to complete his championship, under the guidance of Lorry Bellah and Michelle Edling.

“Coal” was all male with a beautiful head, high wither, strong back, and a strong driving rear with a beautiful shoulder opening.

His only litter out of Can/Int Ch Kris-T’s Willow-B v Encore; produced his daughter, Kris-T’s Autumn Grace “Gracie” carries on his same strong out reaching movement and beautiful breed type. Still going strong at the age of 12, along with several other of her litter mates.

Frozen semen is available to approved bitches only.

**Coal was bred only once to my
Int’l Can Kris-T’s Willow-B v Encore
which produce the beautiful
Kris-T’s Autumn Grace**

“Coal” spent one summer working with Dave Viklund to learn the elements of herding. He learned he had the power to make them move, but when it came to working in the larger field, all he wanted was to come back to me.

Even though we were never able to trial him, I certainly learn a lot about herding.
